Who We Are: Sherehe Events

At Sherehe Events, we believe that every celebration should be as stress-free as it is memorable. Based in Nairobi (Othaya Road and Mountain View), we are a premier event planning and equipment rental company specializing in bringing both children's and adult parties to life.

We don't just provide rentals; we provide a complete, "hands-off" solution. Whether it is our signature Gold Tier themed kids' packages or our sophisticated adult garden party setups, our focus is on high-quality equipment, safety-first entertainment, and professional styling.

From pristine stretch tents and Chiavari chairs to supervised bouncing castles and bespoke balloon decor, our team handles the logistics so you can focus on the memories. We proudly serve the communities of Nairobi and Kiambu, delivering excellence to every doorstep.
